PRESIDENT'S MESSAGE

With "Strange Bedfellows" we close our 1950-51 season of major productions held here in the Lydia Mendelssohn Theatre.

It has been a good year, and all because of you. Thanks greatly for the wonderful support you have given us, and for the growing acceptance of the type of theatre which Ann Arbor Civic Theatre works hard to bring you. We hope to continue to bring you real enjoyable community theatre, planned and executed for your entertainment on an nearly a professional level as it is possible for us to achieve, and yet keep our theatre by the community, of the community, and for the community and all of its people.

We were especially honored this past year by the invitation and acceptance to be a charter member of the Community Theatre Association of Michigan. Such recognition indicates that the quality of our work has started to spread out beyond our own confines. May it continue to do so.

This past year we were able to repay in a small way some of our debt to the City of Ann Arbor, and especially to the Park Commission, by contributing to the purchase of new merry-go-rounds for the city's parks. We hope to be able to continue this practice, and with your support, we shall do so.

I cannot close without once again inviting you to become a member of Ann Arbor Civic Theatre. It is a simple matter, requiring no initiation, a very small fee which barely covers the postage and notices which all members frequently receive; the only requirement being a love of theatre which needs to be expressed. Believe me, you will find plenty of opportunity for self-expression.

Once again, thanks to you for a successful season. Watch for the announcements of our "Oscar" banquet—our next major event.

T. TODD JONES

ABOUT THE DIRECTOR

Ted Heusel

We are fortunate to have so capable a director at the helm of this production. Ted, a well-known Ann Arbor resident, directed and played the male lead of OLIVER T. ERWENTER in "THE SILVER WHISTLE," our first production of the 1950-51 season.

A graduate speech major of the University of Michigan, Ted has recently played the part of the Friar in "ROMEO AND JULIET."

Ted's wide experience and knowledge of little theatre, along with his amiable personality, have made him a favorite of the members of the Ann Arbor Civic Theatre and its patrons.

CAST NOTES

LEONARD CARLSTROM (Ling)—From a detective in January's production of "Laura" to a Chinese house servant in this play shows the versatile character of "Swede" Carlstrom, one of our newer members. His first appearance was in the one-act play "What a Team!"

TODD JONES (Senator Cromwell)—President of our theatre and first male actor "Oscar" winner, Todd's experienced acting in both major and minor roles make him a valuable member of any cast. Todd was last seen as "Emmett," the happy-go-lucky tramp in "THE SILVER WHISTLE."

NANCY McGEE (Julia)—One of our most capable actresses, Nancy has turned in commendable performances in three previous major productions. Her most recent role was that of the deaf Miss Hoadley in "THE SILVER WHISTLE." Nancy's ability extends beyond acting, as proven by her efficient handling of the production of "LAURA."

ANNOUNCEMENT

The next meeting of your Ann Arbor Civic Theatre will be held in the auditorium of Tappan Junior High School on Wednesday, April 25th at 7:45 p.m. This is our annual meeting at which four members will be elected to the Board of Directors.

The film "Anry Boy," which was produced by the Michigan Department of Mental Health, will be shown by Dr. J. N. P. Struthers, director of the Huron Valley Child Guidance Clinic. We are especially interested because three of our members played leading roles in this movie. Jim Wessinger, who is Nicky in tonight's production, is the "Angry Boy"; Robin Hal lis the mother; and Louise Kempf is the grandmother.

We hope every member will make a special effort to attend this meeting. Bring prospective members, too!
